Catkins News- Summer No. 23

It was so lovely to see all of the children back to school this week, looking refreshed and happy to start the last Summer half term.

The children have been very engaged with their learning this week and it is amazing to think of the progress they have all made since their start in September last year. This half term is full of great opportunities and fun experiences and we are all looking forward to the weeks ahead!

Spirited Arts Competition

On Thursday we held an arts day, creating artworks for the NATRE 'Spirited Arts' competition, which is a national competition celebrating creativity and spirituality.

Catkins created a whole class artwork honouring our beautiful planet.

We listened to Bible Stories and considered what our planet is like and how we can look after all of the creatures and their habitats.

The children enjoyed painting, drawing and collage to create their fantastic pictures which will be on show in the church from the 22nd June until the 26th.

Please do come along and have a look at the children's work, everyone is welcome and the church is open all week.

Reminders:

With changeable weather please ensure that children are dressed appropriately, sunhats and raincoats please.

Children will need sun cream applied before school, as it may get hot even if it starts out rainy!

Continue to support your child by listening to them read 4 x per week.
